I Am a Caterpillar

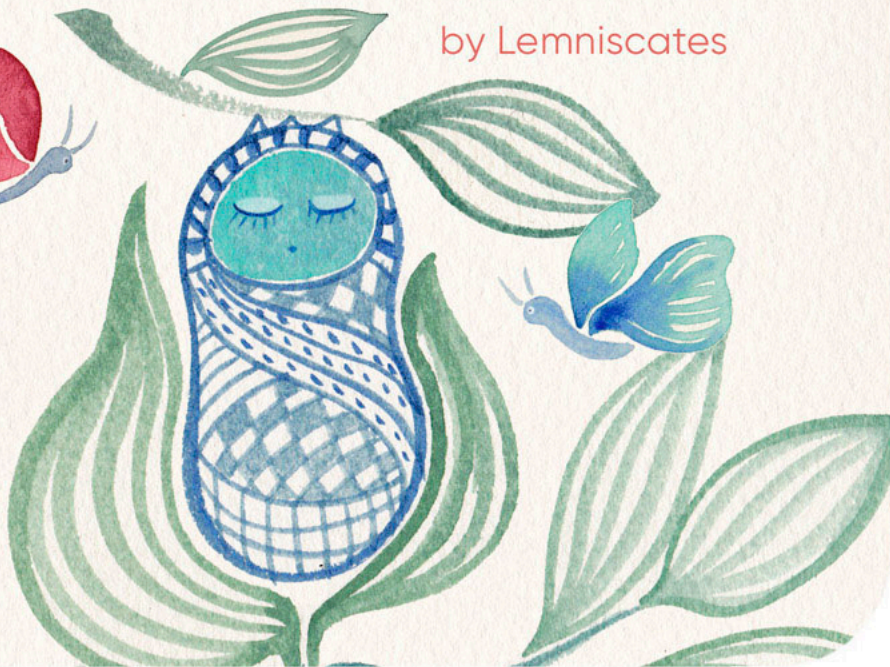

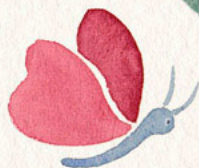

by Lemniscates

I EAT LEAVES

I CRAWL ON THE GROUND

I WOULD LIKE TO FLY

SO, I AM SAD... AND
I AM GOING TO SLEEP

An illustration on a light beige background. In the upper right, a butterfly with large red wings featuring white vertical stripes is shown in flight, facing right. Its body is blue with two antennae. In the lower left, a green caterpillar with a blue grid-like pattern on its back is curled on a green leaf. The scene is decorated with various green leaves and branches. The text "I DREAM I AM A BUTTERFLY" is centered in the middle.

I DREAM I AM A BUTTERFLY

WHEN I WAKE UP I START FLYING!

It's always possible
to change,
and sometimes
dreams come true!
