

The Blackbirds tell us a story about trees!

Use these finger puppets to read the book as a dialogue between two readers and play during storytime.

✂ ————— Cut line

Adult thumb size

Child thumb size

Trees are marvelous beings.

Trees sleep in winter...

and wake up in spring.

Adult thumb size

Trees clean the air we breathe.

Child thumb size

Join the two ends of the finger puppets by slipping the upper and lower fastening slots together or by taping them.

Trees
